19 September 1973

DIRECTORATE: Management and Services

COMPONENT: Office of Joint Computer Support

Description of Activity, including relevant dates.

OJCS agreed to provide backup facilities on a time available basis to the Office of the Assistant Secretary of Defense. On August 5-6, 1972, Mr. Robert Groover, OASD, made test runs of the Matrix Analysis of DOD Manpower Position programs. He was assisted by [redacted] OJCS. He has not requested any further use of our facilities. STAT

Location of assistance.

OJCS Computer Center, Headquarters Building.

Organization(s) involved.

Office of the Assistant Secretary of Defense.

Basis or reason for activity.

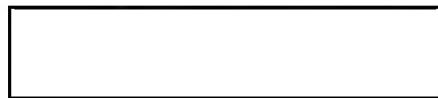

OASD wanted backup facilities in case they lost access to the system they were using.

Financial costs. \$1400 (2 hours CPU time).

Manpower. 5 manhours

Agency employee (and telephone number) to consult for additional information.

DIRECTORATE: Management and Services

COMPONENT: Office of Joint Computer Support

Description of activity, including relevant dates.

This Office has been exchanging data processing reference material, course outlines, and computer programs with other Federal government components, commercial institutions, and academic institutions since 1967. All of the materials exchanged are UNCLASSIFIED.

Location of assistance.

Material provided to non-Agency personnel was either commercially mailed from Headquarters or personally delivered by Agency personnel on official TDY to a non-Agency cite.

Organization(s) involved. Organizations which have been involved include: IBM, Department of State, Census Bureau, MIT, University of California at Santa Cruz, Department of the Navy Post Graduate School at Monterey, California, Eastman Kodak, SHARE Computer Users Group, U.S. Geological Survey, Johns Hopkins Univ., American Univ., and Univ. of Maryland.

Basis or reason for activity.

This exchange of data processing information has been for the mutual benefit of the Agency and non-Agency components in improving the data processing expertise of our organizations.

Financial costs.

Minimal.

Manpower.

Minimal.

Agency employee (and telephone number) to consult for additional information. [redacted]

DIRECTORATE: Management and Services

COMPONENT: Office of Joint Computer Support

Description of activity, including relevant dates.

This office has been providing training in data processing subjects on a space available basis for members of organizations working on Agency contracts and members of other Federal government components since 1969. Material presented is UNCLASSIFIED and similar but not identical to material which is available from commercial and academic institutions. The total number of students trained is less than twenty during the past four years.

Location of assistance.

Training is conducted in Headquarters and Chamber of Commerce Buildings.

Organization(s) involved.

Organizations which have been involved include: IBM, Department of State, Department of Defense, Library of Congress, National Security Agency, and Census Bureau.

Basis or reason for activity.

This training is provided when: (a) space is available in a class scheduled for Agency personnel; (b) non-Agency personnel have an immediate need for this training in support of Federal government operations (c) similar training is not currently available from any other source.

*Financial costs.

*Manpower.

Agency employee (and telephone number) to consult for additional information.

STAT

*The financial and manpower costs to the Agency are limited to providing non-Agency personnel with course materials and access to Agency buildings.
